

# MODEL NO: RGD-SVR-FWA-AX3758J-0001

## Product Features:

- 1) Supports Intel 10th, 11th, 12th, 13th and 14th generation (I3/I5/I7/I9 series) Xeon processors
- 2) Windows operating system, Linux optional
- 3) Some interfaces use aviation plug, which can be customized according to user requirement

## TECHNICAL SPECIFICATIONS:

**Processor:** Intel Xeon E-2288G eight cores + six threads

**Memory:** DDR4 64GB, other capacities optional

**Harddisk:** 2TB, other capacities optional

**Graphics Card:** MXM 1050M 4G

**OS:** Windows operating system, Linux optional

**Ports:** 2\*USB aviation plug, 2\*network port aviation plug,  
1\*management serial port aviation plug,  
display interface aviation plug, fiber optic port aviation plug
